

Keperra Country Golf Club

Limited-Hole Saturday Afternoon Junior Competition/Participation Event

The limited-hole junior competition/participation event is available to all junior golfers, both members and non members and commences at 3.00pm each Saturday afternoon.

Competition Format:

Juniors are placed in the 3, 6 or 9-hole competition taking into consideration their age and golfing ability. It is recommended that all juniors who would like to play in this competition are involved in either individual golf tuition, school term clinics or school holiday camps with our resident PGA Head Professional, Chris Chaplin.

As juniors improve and are able to complete each level of the competition/event with competence, they will then be able to proceed to playing in full 18-hole competitions at the club provided they are a full junior member.

3-hole - Participation – Ideally, this format is for the beginning junior to experience playing on a shortened course (forward tee areas). As juniors demonstrate the ability to drive the ball, hit fairway shots, chipping and putting, they will progress to the 6-hole event.

6-hole – Participation – Juniors are expected to play out the hole with a maximum of 4 shots over par per hole. Once juniors are able to consistently play under 4 over par per hole, they will progress to the 9-hole competition and a club handicap will be provided and maintained.

9-hole – Competition – Single Stroke/Single Stableford formats are utilised. After becoming a full junior member of Keperra Country Golf Club, male juniors who are able to play to a 9-hole club handicap of 16 consistently will be eligible to obtain a GA handicap and be permitted to compete in full 18-hole member competitions. Female juniors who are able to play to a 9-hole club handicap of 20 consistently will also be eligible to obtain a GA handicap and be permitted to compete in full 18-hole member competitions.

All scorecards are to be handed into the administration office located in the clubhouse on conclusion of play.

Competition Entry Fee:

\$3.00pp – Keperra Country Golf Club Junior Members

\$6.00pp – Non Keperra Country Golf Club Junior Members

(Please note: complimentary golf club and pull buggy rental are included for non-junior members)

Registration:

2.30pm – Golf Shop (Bookings are not required)

Supervision of Junior's:

We are very thankful that we have some dedicated members at the club (all Blue Card Accredited) who volunteer their time each Saturday to assist all juniors new to the game. Parents are encouraged to come along each Saturday and be part of the competition.
