The committee of (Men of League Brisbane Branch) would like to extend our sincere appreciation to you and your staff for your most generous support for our first charity Golf Day.

The course was presented in excellent condition with a full quota of players teeing off

The event was a great day financially for the men of league foundation. And it is your most generous support that helped make the day the success that it was

Once again a special thank you and we look forward to your continued support

The Men of League Committee and Members would also like to take this opportunity to wish you and your families a very Merry Christmas and Happy and Prosperous New Year.

Dear Col

On behalf of the TFFAQ, I want to thank you and your staff for all your work in providing a terrific day.

The course was in excellent condition, the food was great and the organisation was First Class.

There have only been positive comments by all those who participated.

Your experience in organising these events, combined with the welcoming atmosphere of all the staff, made this our best golf day ever.

Yours sincerely

Dear Greg

Corporate Supporters Golf Day

I am writing to thank you and your staff for a great day put on by your Club last Friday. Col Landsburg was a great host and the three young men I was paired up with, two of whom work in your golf shop (Peter and Joel), were an absolute pleasure to play with. The food and refreshments was plentiful and a good day was had by all. Please pass on my thanks to Col and all involved in the day.

I have put my self forward for a more active role for ENERGEXs' Golf day next year and we look forward playing your great course in the future.

Yours sincerely

Hi Col,

Firstly thank you so much for your wonderful organisational qualities for making our Golf Day such a success, as you do each and every year. Many thanks to Helen and your Chef for the fantastic lunch also. I have received great feedback this week from a number of our clients who attended. Well done!

Also could we please book in Friday, 21st November 2008 for next year - same time and arrangements.

And from all our Directors of AUST(Q) and myself, we hope you have a very happy and safe Christmas and a well-deserved break.

Kind regards,

Sharon
