My Key Motivating Factors for nominating:

I have been a proud member of Keperra Golf Club since 2001 and have actively participated in competitions twice a week. Over this time, I have contributed to the Club through sponsorship support for approximately fourteen years during my tenure as General Manager of QRI, and I have hosted numerous events at the Club, including charity golf days and scholarship presentations.

My professional background includes 20 years as a Chief Financial Officer, followed by another 20 years as Managing Director of both profit and not-for-profit (membership-based) organisations. This experience has given me a strong understanding of corporate governance and the ability to work collaboratively and effectively with fellow board members.

I have extensive experience in financial management and capital project planning, both of which could be valuable to the Club's future operations and development. In addition, my exposure to the hospitality industry — including licensed clubs, accommodation centres, and cafés — provides further insight into areas relevant to KCGC.

I am a strategic thinker and am passionate about contributing ideas that will enhance the Club's facilities, strengthen its operations, and improve the overall member experience.
